

## REMINDER ON MANULIFE'S ESI DRUG CARD

### What steps need to be taken to ensure Over-age dependents have drug coverage?

Over-age dependents are age 22 and over and attend school, college or university on a full-time basis.

It's important to note that drug cards for over-age dependents expire each year on August 31st. To ensure drug coverage is in place, please complete the bottom section of this form and return it to your administrator.

Drug cards will be issued if this is a first request; however, if this is an update, new cards will not be issued as the current card will be reactivated.
