Important Note

The purpose of this booklet is to outline the benefits for which you are eligible as an employee of Ball Packaging Products Canada Corp. The information in this booklet is a summary of the provisions of the Group Policy. In the event of a discrepancy between this booklet and the Policy (both available from your employer), the terms of the Group Policy will apply.

The booklet is provided for information purposes only and does not create or confer any contractual rights or obligations.

Possession of this booklet alone does not mean that you or your dependents are covered. The Group Policy must be in effect and you must satisfy all the requirements of the Policy.

Where required by law, you or any claimant under the Group Policy has the right to request a copy of any or all of the following items:

- the Group Policy,
- your application for group benefits, and
- any Evidence of Insurability you submitted as part of your application for benefits.

In the case of a claimant, access to these documents is limited to that which is relevant to the filing of a claim, or the denial of a claim under the Group Policy.

Manulife Financial reserves the right to charge you for such documentation after your first request.

We suggest you read this Benefit Booklet carefully, then file it in a safe place with your other important documents.

How to Use Your Benefit Booklet

Your Group Benefit Card

Your Group Benefit Card is the most important document issued to you as part of your Group Benefit Program. It is the only document that identifies you as a Plan Member. The Group Policy Number and your personal Certificate Number may be required before you are admitted to a hospital, or before you receive medical treatment.

The Group Policy Number and your Certificate Number are also necessary for ALL correspondence with Manulife Financial. Please note that you can print your Certificate Number on the front of this booklet for easy reference.

Your Group Benefit Card is an important document. Please be sure to carry it with you at all times.

The Claims Process

Government health plans can provide coverage for such basic medical expenses as hospital charges and doctors' fees. In case of disability, government plans (such as Employment Insurance, Canada/Quebec Pension Plan, Workers' Compensation Act, etc.) may provide some financial assistance.

But government plans provide only basic coverage. Medical expenses can create financial hardship for you and your family.

Private health care supplement government plans and can provide benefits not available through any government plan, providing security for you and your family when you need it most.

Your Group Benefit Program is provided by Ball Packaging Products Canada Corp., in partnership with The Manufacturers Life Insurance Company.

Making Changes

To ensure that coverage is kept up to date for yourself and your dependents, it is vital that you report any changes to your Plan Administrator. Such changes could include:

- change in Dependent Coverage
- change in Beneficiary
- change in Name

To make such changes, you must complete the Application for Change Form available from your Plan Administrator.

Naming a Beneficiary

Manulife Financial does not accept beneficiary designations for any benefits other than Employee Life Insurance and Employee Optional Life Insurance.

This Plan contains a provision removing or restricting the right of the group life insured to designate persons to whom or for whose benefit insurance money is to be payable.

How to Submit a Claim

All claim forms, available on Manulife's Group Benefit website, must be correctly completed, dated and signed. Remember, always provide your Group Policy Number and your Certificate number (found on your Group Benefit Card) to avoid any unnecessary delays in the processing of your claim.

Manulife Group Benefits Customer Service can assist you in properly completing the forms, and answer any questions you may have about the claims process and your Group Benefit Program.

You may not commence legal action against Manulife Financial less than 60 days after proof has been filed as outlined under Submitting a Claim. Every action or proceeding against Manulife Financial for the recovery of insurance money payable under the plan is absolutely barred unless commenced within the time set out in the Insurance Act or applicable legislation.

Payment of Extended Health Care Claims

Once the claim has been processed, Manulife Financial will send a Claim Statement to you.

The top portion of this form outlines the claim or claims made, the amount subtracted to satisfy deductibles, and the benefit percentage used to determine the final payment to be made to you. If you have any questions on the amount, please contact Manulife Group Benefits Customer Service at 1-800-268-6195.

The bottom portion of this form is your claims payment, if applicable. Simply tear along the perforated line, endorse the back of the cheque and you can cash it at any chartered bank or trust company.

You should receive settlement of your claim within three weeks from the date of submission to Manulife Financial. If you have not received payment, please contact Manulife Group Benefits Customer Service at 1-800-268-6195.

Alternatively, you can register for direct deposit of Extended Health Care claims by going to www.manulife.ca/groupbenefits.

Co-ordination of Extended Health Care Benefits

If you or your dependents are covered for similar benefits under another Plan, this information will be taken into account when determining the amount of expenses payable under this Program.

This process is known as Co-ordination of Benefits. It allows for reimbursement of covered medical expenses from all Plans, up to a total of 100% of the actual expense incurred.

The Claims Process

Plan means:

- other Group Benefit Programs,
- any other arrangement of coverage for individuals in a group, and
- individual travel insurance plans.

Plan does not include school insurance or Provincial Plans.

Order of Benefit Payment

A variety of circumstances will affect which Plan is considered as the "Primary Carrier" (ie., responsible for making the initial payment toward the eligible expense), and which Plan is considered as the "Secondary Carrier" (ie., responsible for making the payment to cover the remaining eligible expense).

- If the other Plan does not provide for Co-ordination of Benefits, it will be considered as the Primary Carrier, and will be responsible for making the initial payment toward the eligible expense.
- If the other Plan does provide for Co-ordination of Benefits, the following rules are applied to determine which Plan is the Primary Carrier.

- For Claims incurred by you or your Dependent Spouse:

The Plan covering you or your Dependent Spouse as an employee/member pays benefits before the Plan covering you or your Spouse as a dependent.

In situations where you or your Spouse have coverage as an employee/member under more than one Plan, the order of benefit payment will be determined as follows:

- The Plan where the person is covered as an active full-time employee, then
 - The Plan where the person is covered as an active part-time employee, then
 - The Plan where the person is covered as a retiree.
- A claim for accidental injury to natural teeth will be determined under Extended Health Care Plans with accidental dental coverage before it is considered under Dental Plans.
 - If the order of benefit payment cannot be determined from the above, the benefits payable under each Plan will be in proportion to the amount that would have been payable if Co-ordination of Benefits did not exist.
 - If the person is also covered under an individual travel insurance plan, benefits will be co-ordinated in accordance with the guidelines provided by the Canadian Life and Health Insurance Association.

Submitting a Claim for Co-ordination of Benefits

To submit a claim when Co-ordination of Benefits applies, refer to the following guidelines:

- As per the Order of Benefit Payment section, determine which Plan is the Primary Carrier and which is the Secondary Carrier.
- Submit all necessary claim forms and original receipts to the Primary Carrier.
- Keep a photocopy of each receipt or ask the Primary Carrier to return the original receipts to you once your claim has been settled.
- Once your claim has been settled by the Primary Carrier, you will receive a statement outlining how your claim has been handled. Submit this statement along with all necessary claim forms and receipts to the Secondary Carrier for further consideration of payment, if applicable.

Covered Expenses

The expenses specified are covered to the extent that they are reasonable and customary, as determined by Manulife Financial, provided they are:

- medically necessary for the treatment of an illness or injury and recommended by a physician
- incurred for the care of a person while covered under this Group Benefit Program
- reasonable taking all factors into account
- not covered under the Provincial Plan or any other government-sponsored program
- legally insurable
- used as prescribed or recommended by a physician
- associated with any drug, supply or service that was subject to the due diligence process, the process has been completed with the result that expenses for that drug, supply or service are eligible under the policy as of the date of approval as determined by Manulife Financial and shared with your employer as required.

In the event that a provincial plan or government-sponsored program or plan or legally mandated program excludes, discontinues or reduces payment for any services, treatments or supplies formerly covered in full or in part by such plan or program, this policy will not automatically assume coverage of the charges for such treatments, services or supplies, but will reserve the right to determine, at the time of change, whether the expenses will be considered eligible or not.

This policy will not automatically assume eligibility for all drugs, services and supplies. New drugs, existing drugs with new indications, services and supplies are reviewed by Manulife Financial using the due diligence process. Once this process has been completed, the decision will be made by Manulife Financial to include as a covered expense, include with prior authorization criteria, exclude or apply maximum limits.

Manulife Financial maintains a list of drugs, services and supplies that require prior authorization. Prior authorization is applied to ensure that the therapy prescribed is medically necessary. Where there are lower cost alternative treatments or prescribing guidelines recommend alternative drugs be tried first that are lower in cost, you or your eligible dependents will be required to have tried an alternative treatment unless medical contraindications to alternative treatments exist.

At Manulife Financial's discretion, medical information, test results or other documentation will be required from your physician to determine the eligibility of the drug, service or supply.

Manulife Financial has the right to ensure you or your dependents access Manulife Financial's exclusive distribution channels where applicable when purchasing a drug, service or supply. Manulife Financial may decline a drug, service or supply purchased from a provider outside the exclusive distribution channel.

Adherence

Non-compliance may result in the drug, service or supply no longer being eligible for reimbursement.

Patient Assistance Programs

Manulife Financial may require you or your dependents to apply to and participate in any patient assistance program to which you or your dependents are entitled. Manulife Financial reserves the right to reduce the amount of a covered expense by the amount of financial assistance you or your dependents are entitled to receive under a patient assistance program.
