Notwithstanding the preceding paragraph, the group policy will be modified to reflect any changes to the maximum insurable earnings as determined under the Employment Insurance Act. In addition, if either federal or provincial legislation mandates that an insurer provides a certain type or level of coverage or the means of providing a certain type of coverage, the group policy will be deemed to have been amended to reflect the requirements of the legislation.

However, this restriction on the insurer's right to contest the evidence of insurability will not apply in cases of fraud or misstatements of age.

Where evidence is required to approve an increase, addition or change in the insurance, the insurer's right to void the insurance will be limited to that increase, addition or change.

LAWFUL CURRENCY

All payments hereunder will be made in the lawful currency of Canada and according to the exchange rates effective at the time the event giving entitlement to a benefit took place.

GENERAL PROVISIONS

COVERAGE ELSEWHERE

A Participant who is eligible for Supplemental Health Insurance and/or Dental Care Insurance and whose Spouse is covered for comparable insurance may decline insurance under the group policy for such insurance.

However, in order to decline Supplemental Health Insurance, it is mandatory for the Participant to be covered for comparable insurance with his Spouse.

The refusal of insurance under the group policy may be in respect of the Participant and his Dependents or his Dependents only.

If the insurance under the Spouse's policy ceases because of termination of such policy or because eligibility for the insurance ceases, then application may be made to insure under the group policy those persons whose insurance has terminated.

The application must be made within 31 Days after cessation of the insurance under the Spouse's policy and the insurance under the group policy shall be effective on the Day following the date of termination of the insurance under the Spouse's policy.

AGENTS

The Policyholder and the Employer are not agents of the insurer. The insurer shall not be bound by nor be liable for any act, or failure to act, on the part of the Policyholder or the Employer.

ERRORS

Clerical or inadvertent errors by the Policyholder, Employer or insurer shall not operate to:

- a) Continue insurance otherwise validly terminated.
- b) Increase any existing insurance.
- c) Place in force any insurance which would, but for such error, not be validly in force.
- d) Otherwise prejudice the insurer in any other way.

The insurer may, retroactively and at its sole discretion, in addition to any other legal remedy it may have, exercise any or all of the following rights:

GENERAL PROVISIONS

- a) Reimburse to the Policyholder any premiums that have been accepted through such error.
- b) Terminate or rescind any such associated insurance.
- c) Reduce the amount of insurance to the amount it should have been but for the error.
- d) Take such other action as may be required to correct the error.

ELIGIBILITY

Participants

An Employee or a Retired Employee will become eligible to be insured under the group policy as a Participant on the date (his “eligibility date”) on which he satisfies all of the following conditions:

- a) He satisfies the definition of Employee or Retired Employee in the group policy; and
- b) He is a Full-Time Resident of Canada (does not apply to a Retired Employee); and
- c) He is covered under the provincial health plan of his province of residence (does not apply to a Retired Employee); and
- d) He has satisfied the Eligibility Period specified in the Summary of Benefits.

However, an Employee will not be eligible to become insured under the Long-Term Disability Insurance benefit if he will attain the termination age specified for this benefit in the Summary of Benefits before the end of the Elimination Period specified for this benefit.

Dependents

A person will become eligible to be insured under the group policy as a Dependent on the date (his “eligibility date”) on which he satisfies all of the following conditions:

- a) He satisfies the definition of Dependent in the group policy; and
- b) He is a Full-Time Resident of Canada; and
- c) He is covered under the provincial health plan of his province of residence; and

GENERAL PROVISIONS

- d) The Employee or the Retiree of whom he is a Dependent is insured under the group policy as a Participant.

APPLICATION FOR GROUP INSURANCE

An Employee who is eligible to become insured under the group policy as a Participant must complete and submit an application for himself and for each of his Dependents, on their respective eligibility dates, on forms supplied by, or satisfactory to the insurer.

EFFECTIVE DATE OF INSURANCE

Whether membership under the group policy is compulsory or voluntary, the Participant's insurance and Dependents' insurance, if any, will take effect on the person's eligibility date, if the application for group insurance has been received by the insurer on or prior to such date, or within 31 Days after such date.

If the application for group insurance is not received within 31 Days of the eligibility date, the insurance will not take effect until the date on which the insurer receives evidence of insurability and provides Approval of Evidence of Insurability.

However:

- a) If the Employee was not Actively at Work on the date his insurance would otherwise become effective, the insurance will not take effect until the earliest date thereafter on which he is again Actively at Work.
- b) If the Dependent is Hospitalized on the date his insurance would otherwise become effective, the insurance will not take effect until the earliest date thereafter on which he is no longer Hospitalized. (This clause shall not apply to the Life Insurance benefit or in the case of a newborn Child).

Any amount of insurance which is in excess of the non-evidence maximum(s) specified in the Summary of Benefits will not take effect until the date on which the insurer receives evidence of insurability and provides Approval of Evidence of Insurability. If the insurer does not provide Approval of Evidence of Insurability for the Participant, any future increases in the non-evidence maximum(s) will not automatically result in an increase in the Participant's insurance. The increase in the non-evidence maximum(s) will only result in an increase in the Participant's

GENERAL PROVISIONS

insurance if he submits evidence of his insurability and the insurer provides Approval of Evidence of Insurability.

The Participant may decline the Supplemental Health Insurance and Dental Care Insurance benefits, if he is covered for comparable coverage under the terms of the group policy or another policy.

Should the Participant decline the Supplemental Health Insurance benefit, the Participant will be covered under the group policy for Emergency Medical Expenses Incurred Outside the Province of Residence and Emergency Out of Province Assistance when the absence is related to business travel only.

GENERAL PROVISIONS

- ◆ **Supplemental Health Insurance and Dental Care Insurance:**

Notice and proof of any claim must be submitted to the insurer within 12 months (6 months in the case of the Travel Benefits) of the date of the event which gives entitlement to the benefit.

- ◆ **Life Insurance:**

Notice of any claim must be submitted within 30 Days of the date of the event which gives entitlement to the benefit. Proof of claim must be submitted within 90 Days of the date of the event which gives entitlement to the benefit.

Failure to submit notice and proof of any claim within the time prescribed does not invalidate the claim if the notice or proof is submitted as soon as reasonably possible, and in no event later than 12 months from the date of the event, if it is shown that it was not reasonably possible to submit notice or proof within the time so prescribed.

NOTICE AND PROOF OF CLAIM IN CASE OF TERMINATION

In the event of the termination of the group policy or the termination of the Participant's insurance, the notice and proof of claim for any claim other than a Supplemental Health Insurance or Dental Care Insurance claim, must be submitted to the insurer within 90 Days of the date of the termination of the group policy and, in the case of the termination of the Participant's insurance, within 90 Days of the termination of such insurance.

Notice and proof of claim for a Supplemental Health Insurance and Dental Care Insurance claim must be submitted within 90 Days of the termination of the group policy and, in the case of termination of the Participant's insurance, within 12 months of the date of the event which gives entitlement to the benefit.

FRAUDULENT CLAIMS

The insurer will undertake all necessary actions to detect and investigate fraudulent claims under the group policy.

It is a crime if a Participant should knowingly and with the intent to defraud the insurer and the group plan, file a claim that contains any false, incomplete or misleading information.

The insurer retains the right to audit all claims at any stage, including after payment has been made, for fraud or misrepresentation.

GENERAL PROVISIONS

If the insurer determines that a Participant or Dependent has submitted any claim that contains false or misleading information, the insurer shall have the right, at its sole discretion, to notify the Policyholder, decline the claim or require reimbursement if the claim has been paid. In addition, and notwithstanding any other provision in the group policy, the insurer will have the right to terminate the Participant's entire insurance under the group policy including any insurance for the Participant's Dependents, and will have the right to undertake the prosecution of the Participant and/or the Dependent in accordance with provincial and/or federal law.

APPEAL PROCESS

Where the insurer has made a decision to decline or terminate a claim or insurance under the group policy, the decision to decline or terminate may be appealed as long as this right of appeal is exercised within 60 Days of the initial letter of decline or termination.

The appeal must be in writing and must include the grounds of appeal, any new information to support the appeal and any further information that may be requested by the insurer.

EXPENSES

Unless the group policy expressly states otherwise, the Participant is solely responsible for all expenses and costs related directly and indirectly to submitting a claim, proof of a claim, appeals of any kind, or any other obligation the Participant has under the group policy, including but not limited to submitting any application or appeal, or obtaining any medical reports, clinical records, test results, or any other information.

BENEFICIARY

The Participant's beneficiary shall be the person or persons designated by the Participant, in writing, to receive the death benefit payable under the Participant's Life Insurance benefit, and if applicable, the Participant's Accidental Death and Dismemberment Insurance benefit, Participant's Optional Life Insurance benefit and Participant's Optional Accidental Death and Dismemberment Insurance benefit. If the Participant does not designate a beneficiary, any death benefit payable under such benefits will be payable to the Participant's estate.

GENERAL PROVISIONS

All benefits, other than the Participant's Life Insurance benefit, Participant's Accidental Death and Dismemberment Insurance benefit, Participant's Optional Life Insurance benefit and Participant's Optional Accidental Death and Dismemberment benefit, will be payable only to the Participant, or if the Participant is deceased at the time of the payment of the benefit, to his estate.

The Participant will be able to designate a beneficiary or change a named beneficiary by a signed written declaration, subject to the provisions of the law.

The insurer will not be responsible for the sufficiency or validity of the beneficiary designation or change of beneficiary.

If the Participant had named a beneficiary under the Policyholder's prior group policy, such designation will be applicable to the insurance provided under the group policy, unless the Participant has changed the designation in writing with the insurer. The Participant should review the beneficiary designation made under the Policyholder's prior group policy to ensure that it reflects the Participant's current intentions in regard to his insurance.

The group policy contains a provision removing or restricting the right of the group insured to designate persons to whom or for whose benefit insurance money is to be payable.

INSURER'S RIGHT TO EXAMINATION, RECORDS AND INVESTIGATION

The insurer, at its own expense and its sole discretion, shall have the right, whenever and how often it deems it necessary, to:

- a) Require any medical, psychiatric, psychological, functional, vocational or any other examinations of a Participant who has submitted a claim or of any other Insured Person for whom a claim has been submitted. The insurer may designate, at its sole discretion, a Physician, a Specialist, a healthcare provider or any other examiner for such examination(s). The Participant or any other Insured Person being examined must comply with any terms and conditions of an examination that are required by such examiner; and
- b) Require an autopsy, where it is not forbidden by law.

The insurer reserves the right to obtain the clinical notes and records or any other reports of a Participant who has submitted a claim or of any other Insured Person for whom a claim has been submitted, from any Physician or Specialist, including but not limited to, a psychologist, a psychiatrist, a healthcare provider

GENERAL PROVISIONS

or any other examiner who has treated, examined or assessed such Participant or Insured Person. The Participant and any Insured Person must cooperate fully with the insurer in obtaining any such records or reports.

The insurer, at its own expense and its sole discretion, shall have the right to conduct any investigation, or an examination under oath, of a Participant who has submitted a claim, or of any person for whom a claim has been submitted, whether or not a legal action has been commenced by such Participant or person.

SUBROGATION

Where a benefit is payable under the group policy with respect to a Participant or to a Dependent of a Participant and if such person has a right to recover damages from an individual or organization, the insurer will be subrogated to the rights to recovery of the Participant or Dependent against such individual or organization to the extent of all benefits paid in the past and all benefits payable in the future.

Without limiting the generality of this provision, the term damages will include any lump sum or periodic payments received on account of:

- a) Past, present or future loss of income, wages, or Earnings; and
- b) Any other benefits paid or payable under the group policy.

The Participant or Dependent shall reimburse the insurer up to the amount of any benefits paid in the past or that are payable in the future under the group policy out of the gross damages recovered whether recovered at trial, or prior to trial by way of any form of settlement, and without regard to whether the Participant or Dependent has obtained full recovery of his losses.

Where the Participant or Dependent recovers damages in a lump sum, either by way of settlement or court order, and no allocation has been made in that settlement for the benefits paid or payable by the insurer, the insurer shall be reimbursed, out of the gross damages recovered, the full amount of benefits that have been paid to the Participant or Dependent. The insurer shall also be entitled to be reimbursed an amount, as determined by the insurer, which reasonably reflects the value of the future benefits payable to the Participant or Dependent under the group policy. The insurer's recovery in this regard shall not exceed the Participant or Dependent's gross damages recovered or gross settlement. These rights of reimbursement shall be without regard to the terms of settlement

GENERAL PROVISIONS

or allocation that may have been agreed to by the Participant or Dependent and the third party.

In the event that the Participant or Dependent fails to reimburse the insurer in accordance with the group policy, no future benefits will be paid by the insurer until such time as the insurer recovers:

- a) The total amount of benefits paid to the Participant or Dependent; and
- b) An amount that reasonably reflects, as determined by the insurer, the total amount or value of any future benefits payable to the Participant or Dependent.

The insurer's recovery in this regard shall not exceed the Participant or Dependent gross damages recovered or gross settlement.

The insurer shall also have the right to seek recovery directly from the Participant or Dependent, or exercise any other right or remedy it may have under the group policy or under the law, in the event that any overpayment has resulted from the lack of reimbursement.

The Participant shall notify the insurer as soon as any action is commenced by him or his Dependent against any third party which involves a claim for damages. The Participant or Dependent shall provide the insurer information, including copies of all relevant documentation, about any judgement or settlement of any claim against a third party which involves a claim for damages. The Participant or Dependent will ensure that the subrogated rights of the insurer are advanced in any third party action and shall instruct his solicitor accordingly. The insurer shall not be responsible for any legal fees or expenses in regards to the advancement of its subrogated claim unless it has clearly agreed to such fees and expenses in writing in advance. The insurer reserves the right to retain its own counsel and/or pursue its subrogated rights against the third party and, in this respect, the Participant and Dependent and his solicitor shall fully cooperate with the insurer in the pursuit of its claim.

The insurer's subrogated claims shall not be settled or compromised in any way without its prior written consent. Unless the prior consent of the insurer has been obtained, no such settlement of any claim against the third party shall be binding on the insurer and the insurer shall have the right to seek recovery directly from the Participant and Dependent in accordance with its rights under the group policy or under the law.

GENERAL PROVISIONS

OVERPAYMENT

If the insurer determines that a benefit has been overpaid, the Participant or any other person to whom such benefit was overpaid is liable to reimburse the insurer immediately and in full as soon as the insurer requests such reimbursement.

In the event the overpayment is not reimbursed, the insurer shall have the right, at its sole discretion and in addition to any other legal remedy it may have, to recover such overpayment by reducing the sum insured of any life insurance benefits payable under the group policy, or reduce any other benefits payable under the group policy, by up to 100% of the amount of the outstanding overpayment, whether such benefits are payable to the Participant, or to the Participant's estate, Dependents, eligible survivors or beneficiaries.

LIMITATION ON LEGAL ACTIONS

No action or proceeding against the insurer shall be commenced within the first 60 Days following the date on which written proof of claim is provided to the insurer in accordance with all of the terms and conditions of the group policy.

Every action or proceeding against an insurer for the recovery of insurance money payable under the group policy is absolutely barred unless commenced within the time set out in the *Insurance Act*, or other similar applicable legislation (e.g. *Limitations Act, 2002* [Ontario]; Civil Code of Quebec) in the Participant's province.

PARTICIPANT'S LIFE INSURANCE

Upon the death of the Participant while insured under this benefit, the insurer undertakes to pay to the beneficiary the sum insured as indicated in the Summary of Benefits, subject to all of the terms and conditions of this benefit and the group policy.

In the event that a Participant is in the terminal phase of an Illness, with a life expectancy of less than 12 months, an amount equal to the lesser of 50% of the sum insured and \$50,000, may be paid to the Participant, subject to approval by the insurer.

The individual life insurance policy shall not include a disability benefit, nor an accidental death and dismemberment benefit, and the premium shall be based on the insurer's rates in effect which apply to the type and amount of such policy, according to the Participant's sex and attained age.

The individual life policy will only be issued if the insurer receives a written request to that effect, together with a deposit covering the monthly premium for

PARTICIPANT'S LIFE INSURANCE

a one year term policy within 31 Days of the date of the termination of the Participant's life insurance, and will take effect only at the expiration of that period.

Should the Participant die during the period of 31 Days following the termination of his life insurance, the insurer shall pay an amount equal to that which he could have converted whether or not he made application for the individual life policy.

SUPPLEMENTAL HEALTH INSURANCE

province of residence will be covered when they are received outside of his province of residence in a Medical Emergency.

Limitations For Emergency Medical Expenses Incurred Outside The Province Of Residence

If the Insured Person should become Hospitalized outside of his province of residence due to a Medical Emergency, the Insured Person will be required to contact the insurer's medical assistance service provider as soon as the person is reasonably able to do so after the commencement of his Hospitalization. Failure to do so may result in the insurer limiting or denying the Insured Person's claim resulting from the Medical Emergency.

In addition, if during a Medical Emergency, the insurer determines that the Insured Person can be repatriated to his province of residence without endangering his health and the Insured Person refuses to be repatriated, the insurer will not be responsible for any further expenses incurred by the Insured Person due to the Medical Emergency.

No coverage will be provided under this benefit for any expenses that are incurred for a Medical Emergency if:

- a) The Insured Person's medical condition was not stable before the absence from his province of residence began; and
- b) The Medical Emergency results directly or indirectly from that medical condition.

The insurer determines, at its sole discretion, what stable means. In this assessment, the Insurer may take into consideration medical factors, such as but not limited to the following:

- a) Medical status;
- b) Medical treatment, examination, consultation or hospitalization;
- c) Increase or worsening of any symptom or health problem;
- d) Change in medical treatment or in medication;

Certain drugs will require pre-authorization by the insurer prior to the commencement of their usage. For these drugs the Insured Person will be required to have his attending Physician provide the insurer with information describing his medical condition, previous treatment history and the medical criteria for prescribing the drug.

As part of its pre-authorization process, the insurer may request that a drug be purchased from a preferred pharmacy network that has been approved by the insurer. If the Insured Person should choose to use another pharmacy, the amount reimbursed to the Insured Person will be based on the amount which would have been charged by the insurer's approved pharmacy network. The insurer will not be responsible for any amounts in excess of the amounts that would have been reimbursed had the Insured Person used the approved pharmacy network.

The insurer reserves the right to exclude coverage of any drug where it has determined, at its sole discretion, that coverage of the drug causes or may cause a material change in the risk insured under the group policy or a material change in risk for the insurer in general.

If the drug is an Original Drug which has a Generic equivalent, the amount payable will be based on the Lowest Priced Interchangeable Drug. However, if the Insured Person provides proof, satisfactory to the insurer, that due to a valid medical reason as verified by his attending Physician, that he must take the Original Drug, the insurer will make payment based on the cost of the eligible drug prescribed.

DENTAL CARE INSURANCE

Carry-over Provision

If the Deductible for a Calendar Year is satisfied in whole or in part by the payment of covered Expenses Incurred during the last 3 months of the Calendar Year, the amount of covered Expenses Incurred in such 3 month period and which were applied toward satisfaction of the Deductible for that Calendar Year, shall be carried over and applied toward satisfaction of the Deductible for the next Calendar Year.

Maximum Benefit Per Insured Person

The maximum amount that will be reimbursed by the insurer is specified in the Summary of Benefits.

Co-ordination of Benefits

When an Insured Person is eligible to receive benefits simultaneously under this coverage and any other coverage which pays expenses for care, services and supplies which are for or by reason of dental care or treatment, the coverages will be co-ordinated to ensure that payment by all the coverages do not exceed the actual expenses incurred. The term "coverage" will mean any coverage providing care, services or supplies under:

- ii) Any government-sponsored plan; and
- iii) Any non-insured employee benefit plan.

The Participant must make application and pay all required premiums for the individual insurance contract within 60 Days of the termination date of his insurance under the group policy. Failure to submit the application and premium

DENTAL CARE INSURANCE

Payments commence at the end of the waiting period of 31 days and are subject to a maximum of 100 consecutive months.

Coverage can be continued while the insured is on an approved leave of absence, maternity/parental leave, lay-off, strike/lockout or disability as per the Policyholder's current Group Life policy, subject to continued payment of premiums.

Cosmetic Disfigurement Benefit (\$25,000)

If an insured suffers a third degree burn, the Company will pay a percentage of the principal sum, depending on the area of the body which was burned according to the following table:

BASIC ACCIDENTAL DEATH AND DISMEMBERMENT INSURANCE

Cosmetic Disfigurement Benefit (\$25,000) (cont'd)

Body Part	Area Classification (A)	Maximum Allowable Percentage for Area Burned (B)	Maximum Percentage of Principal Sum Payable (C)
		%	%

Torso (front or back)	2	18.0	36.0
Either Thigh	1	9.0	9.0
Either Lower Leg (below knee)	3	9.0	27.0

The maximum percent of principal sum payable (C) is determined by multiplying the area classification (A) by the maximum allowable percent for area burned (B). This table only represents the maximum percent of the principal sum payable for any one accident. If the insured suffers burns in more than one area, as a result of any one accident, benefits will not exceed the maximum amount stated above.

Where, due to the accidental wrecking, sinking or disappearance of a conveyance in which an insured was riding, the insured disappears, and if the body of the insured is not found within 12 months after the date of such wrecking, sinking or disappearance, it will be presumed, subject to there being no evidence to the contrary and subject to all other terms and conditions of the policy, that the insured suffered loss of life as a result of injury.

Identification Benefit (\$5,000)

If injury results in loss of life, and requires body identification, the Company will pay the expenses actually incurred by a member of the immediate family for lodging, board and transportation by the most direct route, provided the body is located not less than 150 kilometres from the member of the immediate family's residence and the identification of the body is required by the police or a similar law enforcement agency having authority over such matters. If transportation occurs in a vehicle or device other than one operated under the license for the conveyance of passengers for hire, then reimbursement of transportation expenses will be limited to a maximum of \$0.35 per kilometre travelled.

Permanent Total Disability

If an injury totally and permanently disables an insured within 12 months of the date of the accident, preventing the insured from engaging in any and every occupation, the Company will pay, provided such disability has continued for a period of 12 consecutive months and is total, continuous and permanent at the end of this period, the principal sum less any amounts already paid under the Accidental Death, Dismemberment and Specific Loss Indemnity as the result of the same accident.
