Extended Health Care

General description of the coverage

The contract holder has the sole legal and financial liability for this benefit. Sun Life only acts as administrator on behalf of the contract holder.

In this section, *you* means the associate and all dependents covered for Extended Health Care benefits.

Extended Health Care coverage pays for eligible expenses that you incur while covered under this plan.

Eligible expenses mean expenses incurred for the services and supplies described below that are medically necessary for the treatment of an illness and do not exceed the reasonable and customary charges for the service or supply being claimed. However, there are additional eligibility requirements that apply to drugs (see *Prior authorization program* for details).

Medically necessary means generally recognized by the Canadian medical profession as effective, appropriate and required for treating an illness according to Canadian medical standards.

Reasonable and customary charges mean:

- fees and prices normally charged in the regional area where the services or supplies are provided, and
- charges for services and supplies that represent reasonable treatment, considering the duration of services and how frequently services and supplies are provided.

To qualify for this coverage you must be entitled to benefits under a provincial medicare plan or federal government plan that provides similar benefits.

Claiming when the expense is incurred

You must claim an expense for the benefit year in which you incur the expense. You incur an expense on the date you receive the service or purchase or rent supplies.

The benefit year is indicated in the Benefit Summary.

See the table **Instructions and Time Limits for Sending Us Your Claims** at the beginning of this booklet for information about when and how to make a claim.

Deductible, reimbursement level and maximum benefit

The deductible is the portion of claims that you are responsible for paying. After the deductible has been paid, claims will be paid up to the reimbursement level and maximum benefit under this plan.

For each type of service listed below, the deductible and the reimbursement level are indicated in the Benefit Summary. The maximum benefit for all expenses combined is also indicated in the Benefit Summary.

If all or part of the deductible is satisfied within the last 3 months of the benefit year, your deductible for the next benefit year will be reduced by this amount.

Contact us right away in an emergency!

You or someone with you must contact Sun Life's Emergency Travel Assistance provider, AZGA Service Canada Inc. (*Allianz Global Assistance*) right away. Allianz Global Assistance must approve all invasive and investigative procedures (including any surgery, angiogram, MRI, PET scan, CAT scan) before you have them.

If Allianz Global Assistance does not hear from you first, before you receive emergency services, and we determine that someone could have reasonably made contact on your behalf, Sun Life has the right to deny or limit payments for all expenses related to that emergency.

In extreme circumstances where contact with Allianz Global Assistance cannot be made before services are provided, you must contact Allianz Global Assistance as soon as possible afterwards.

An emergency ends when Allianz Global Assistance, based on available medical evidence, deems you medically stable to return to the province where you live.

Emergency services excluded from coverage

Any expenses related to the following emergency services are not covered:

- services that are not immediately required or which could reasonably be delayed until you return to the province where you live, unless your medical condition reasonably prevents you from returning to that province prior to receiving the medical services.
- services relating to an illness or injury which caused the emergency, after such emergency ends.
- continuing services, arising directly or indirectly out of the original emergency or any recurrence of it, after the date that Sun Life or Allianz Global Assistance, based on available medical evidence, determines that you can be returned to the province where you live, and you refuse to return.
- services which are required for the same illness or injury for which you received emergency services, including any complications arising out of that illness or injury, if you had unreasonably refused or neglected to receive the recommended medical services.

Emergency Travel Assistance

General description of the coverage

The contract holder has the sole legal and financial liability for this benefit. Sun Life only acts as administrator on behalf of the contract holder.

In this section, *you* means the associate and all dependents covered for Emergency Travel Assistance benefits.

Emergency means an acute illness or accidental injury that requires immediate, medically necessary treatment prescribed by a doctor.

This benefit, called **Medi-Passport**, supplements the emergency portion of your Extended Health Care coverage. We will only cover emergency services obtained within the time limit indicated in the Benefit Summary. If hospitalization occurs within this period, in-patient services are covered until the date you are discharged.

The emergency services excluded from coverage, and all other conditions including maximums, limitations and exclusions that apply to your Extended Health Care coverage also apply to Medi-Passport.

Bring your Travel card with you! There you will find telephone numbers and the information you'll need to confirm your coverage and get help.
