

This document provides a summary of the coverage available to eligible regular **part-time, term and** casual employees under the LottoFlex Benefits Program as of December 1, 2020. Your benefits will be locked in for one calendar year. Coverage can only be changed if you experience a life change. Eligible expenses are covered to the extent that they are reasonable and customary, as determined by Medavie Blue Cross or plan limits. In the event there is a discrepancy between this document and the formal plan or policy documents, the formal plan or policy documents will take precedence. See the LottoFlex **Overview** for details on how to enroll in the program, the annual re-enrollment, default coverage and the current Flex Credit allocation.
